SCIENTIFIC INSTITUTE
COOPERATES WITH INDUSTRY

Party organizations of the aerogeodetic enterprise, the cartography factory, and the Scientific Institute of Engineers of Geodesy, Aerial Photography, and Cartography called a conference of workers, engineers, technicians, and scientific workers of the institute. Chudinov, director of the aerogeodetic enterprise, told the conference of the cooperation between the institute's scientific workers and the enterprise's workers. Agroskin, director of the institute, also spoke on this subject. The conference resulted in an agreement for permanent active cooperation between the institute and enterprises.
